STATUS REQUEST

SIR:

Please advise immediately of the status of the above-referenced U.S. National Phase patent application, which was filed more than six months ago on June 9, 2000. Enclosed for your convenience is a copy of the postcard receipt showing the Serial Number and date of receipt in the PTO. Our client is particularly concerned about a Notice of Missing Requirements since the application was filed with an unexecuted Declaration, and the Filing Receipt.

Respectfully submitted,
